PARTNERSHIP IN ACTION

Bookings and Enquiries

We are always looking for new groups and classes to join us here at our Haverstock site.

Most of our activities take place during the evenings and weekends and also in the daytime during school holidays.

We are not just here to hire out rooms, we can help you start your own class, plan an event, advise you on marketing strategies and even funding opportunities.

Once you have made your booking, we can help promote your sessions through different marketing mediums that we use.

It's been an exciting time for Haverstock's Girls Football team. They have recently formed a new exciting and talented squad, and even more exciting for the girls, they have received brand new football kits for the season and are now busy training for the season ahead. This was made possible by a partnership between a company called Top Corner, who uses the site's facilities to run Netball and Football Leagues, and Kajima Community, who hire out the facility. Kajima Community's ability to form such partnerships is an excellent example of the project's success. Claire Whichord, head of PE, is delighted with this boost: she said "with the injection of funds, the team and their kit has been transformed and we're really looking forward to the season ahead".

Swiss Cottage Volleyball Club is a success story in sport. On the brink of extinction (formerly known as Camden Volleyball Club) it was renamed by its club chairman Saeed Rahman in 1997. The new lease of life (along with additional funding) helped the club to instantly claim top spots in the Women's London Premiership League. The club then embarked on a journey through the national leagues, which currently sees them in National Division I, with an impressive record of 10-1, which is a fantastic feat!

Swiss Cottage enjoy using the Haverstock school. The facilities are of an excellent standard that a prestigious club needs as well as being located in the perfect place for their squad members. For further details about how the club are doing, or indeed to enquire how to join, contact Daniel at daniel@danielrose.net or visit www.volleyballengland.org/national

OUR LOCAL FOOTBALL CLUB - HAMPSTEAD FC

Hampstead Academy was set up to give all levels of young boys and girls the opportunity to join a successful Youth Football Club, without the need to attend trials, which are often very daunting for younger players and offer limited opportunities. In the last 2 seasons, over 200 players from our Academy made the grade into one of our 32 teams. This figure is very

impressive, even more so given the fact that some of them, when they first attended the Academy, were far from "team material". Within a few months their attitude and skills developed 10 fold and they are now part of successful teams, with new friends and, in some cases, an alternative focus on life. The club attracts a great deal of attention from professional clubs.

Hampstead FC is an FA Charter Status Club and support the FA RESPECT programme. For further details on sessions and programmes contact Mike Powell on 07812018113.
